Brett R. Harris to Present Lorman Education Services Live Webinar "Practical and Ethical Implications of Metadata in Documents"

07/25/19

Wilentz Shareholder Brett R. Harris will present the national Lorman Education Services live webinar entitled "Practical and Ethical Implications of Metadata in Documents." The webinar will educate attorneys and other legal professionals on the presence of metadata in electronic documents and how to protect confidential information by scrubbing or stripping metadata.

This program has been approved by the Board on Continuing Legal Education of the Supreme Court of New Jersey for 1.8 hours of total CLE credit.
