Opioid Prescribing: An AHLA 50 State Survey

02/19/20

Wilentz attorneys Michael F. Schaff, Lisa Gora and Jason J. Krisza co-authored “Opioid Prescribing: An AHLA 50 State Survey with Summaries and Links,” a resource published by the American Health Lawyers Association.

In their analysis, the authors provide a comprehensive overview of New Jersey state law related to opioid prescribing requirements that healthcare providers, and the attorneys advising them, need to be aware in their daily practices.

References include:

- Prescription drug monitoring requirements
- Opioid-related licensure
- Medicaid requirements
- State-level initiatives designed to combat the opioid crisis
