The “Best Law Firms” rankings are based on the results of an evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys, and review of additional information provided by law firms as part of the formal submission process. All of the quantitative and qualitative data is combined into an overall “Best Law Firms” score for each firm. This data is then compared to other firms within the same metropolitan area and at the national level.

Best Law Firms is published by Best Lawyers. A description of the selection process can be found in the link below. The aforementioned organization is a private peer review organization, not a court-specific public

certification vehicle. No aspect of this advertisement has been submitted to or approved by the Supreme Court of New Jersey.
