

Michael Schaff to Present at AHLA's Healthcare Transactions

04/26/17

Michael Schaff will present at an AHLA "Healthcare Transactions" Conference, which will provide an overview of the latest developments, strategies, deal forecasts, legal issues involving contemporary health care business transactions, including emerging care models, M&A trends, financing techniques, deal risk management strategies, post integration lessons, and critical business considerations before, during, and after the transaction.

Mr. Schaff will be presenting "Overview of the Deal Process - A Roadmap Through the Paper Jungle."

Attorney
