Brett Harris to Present Lorman Education Services' Webinar “Data Security Breach Response”

08/14/17

Brett Harris will present this live webinar, which will educate counsel and their companies on the legal and practical ramifications of a data breach. The key agenda points that will be covered include cybersecurity as corporate governance issue, regulatory perspectives on breach responses and strategies for cyber-preparedness, including how to create a 'security culture' within your organization and implement administrative, technical and physical security measures to manage risk
