

Tracy Armstrong to Present at ICLE Seminar “Can You Pass the Employment Law Stress Test? What Every New Jersey Condominium Association Needs to Know”

11/15/17

At this NJICLE seminar, Tracy Armstrong will analyze key issues faced today by community associations, including strategies and solutions for financial and other issues currently impacting associations. The seminar will also explore new regulations adopted by HUD governing harassment, concepts such as “benefits derived”, and the interplay between association liens and bankruptcy law under Rones and Keise.
