

Wilentz Attorneys to Present at New Jersey Medical Group Management Association's Webinar

06/19/18

Peter Greenbaum and Michael Schaff will present a webinar for the New Jersey Medical Group Management Association, entitled "Considering Affiliating with a Hospital? What are the Key Advantages and Disadvantages Physicians Need to Understand."

This webinar will provide an overview of general trends such as the continued erosion of "traditional" medical staff-hospital dynamics, mega trends, and an overview of the affiliation models, including direct employment model and professional services agreement model.
