## Michael Schaff to Present at American Health Lawyers Association Fundamentals of Health Law Program

11/12/18

Michael Schaff will present “Representing Physicians and Physician Practices: The Good, the Bad and the Ugly” at the American Health Lawyers Association Fundamentals of Health Law program. Aimed at healthcare client advisers, consultants, compliance officers, in-house counsel, and new associates, the program will address legal issues and upcoming challenges in the healthcare industry. Topics of interest at the program include Medicare and Medicaid, corporate compliance and corporate governance, Stark Law, False Claims Act, Anti-Kickback Statute, and privacy and security.
