Brett R. Harris to Present Lorman Education Services' Live Webinar “Data Security Breach Response”

03/28/19

Wilentz shareholder Brett R. Harris and Michelle A. Schaap, Esq of Chiesa, Shalinian & Giantomasi PC will co-present the national Lorman Education “Data Security Breach Response” live webinar to be broadcast on March 28. The Webinar will educate companies and their counsel to execute security breach response plans and how to minimize risk. Topics of discussion will include incident responses, brand reputation management, cybersecurity as a corporate governance issue, regulatory perspectives on breach responses, notable state statutory trends and decisions, and strategies for cyber-preparedness.

This program has been approved by the Board on Continuing Legal Education of the Supreme Court of New Jersey for 1.8 hours of total CLE credit.
