Angelo J. Cifaldi and Satish V. Poondi Present Vizient Webinar "The Legal and Ethical Challenges Created by the National Drug Shortage and Generic Price Gouging"

10/17/19

Wilentz Shareholders and Pharmacy Law Group Co-Chairs Angelo J. Cifaldi and Satish V. Poondi, both registered pharmacists, will present "The Legal and Ethical Challenges Created by the National Drug Shortage and Generic Price Gouging" in a live webinar produced by Vizient, the nation's leading healthcare performance improvement company.

Learning Objectives:

- Discuss the causes of the national drug shortage crisis and its scope
- Explain the clinical and economic impact of drug shortages
- Discuss the issue of price gouging, gray market, and its legal and ethical implications

A copy of the presentation has been made available for download below. If you have a legal question about your pharmacy law practice, please contact Angelo J. Cifaldi or Satish V. Poondi.
