Michael F. Schaff to Present at Pediatric Supergroup Conference 2020

01/23/20

Wilentz Health Law and Corporate Co-Chair Michael F. Schaff will present "What Pediatricians Need to Know About the Influx of Private Equity into Healthcare" at the Pediatric Supergroup Conference 2020. Topics of interest include:

- The Private Equity Business Model
- Interest of PE firms in the healthcare space
- PE deals and regulatory considerations
- How to avoid legal pitfalls

Sponsored by Allied Physicians Group, Pediatric Management Institute and PCC, the conference will focus on many topics relevant to today's pediatric supergroups, including how pediatric practices can build long term value through strategic planning, the operational, financial and governance structure of pediatric groups-without-walls and practice governance for supergroups.
