WILENTZ, GOLDMAN & SPITZER, P.A.

## CIANJ Program “Technology to Watch in 2020” to be Held at Wilentz, Goldman & Spitzer

01/30/20

Wilentz, Goldman & Spitzer will co-host a panel discussion entitled “Technology to Watch in 2020,” presented by the Commerce and Industry Association of New Jersey. Alex Katz, Partner at ff Venture Capital, Aaron Price, President of NJ Tech Council, and Judith Sheft, Executive Director of the New Jersey Commission on Science, Innovation and Technology, will discuss disruptive technology and its impacts on the way consumers, industries and businesses operate, including the effects of Artificial Intelligence on legacy businesses and alternative financing opportunities. Wilentz Shareholder Brett R. Harris, a member of CIANJ’s Technology for Business Forum Steering Committee, has coordinated the program.
