Donna M. Jennings to Present NJICLE Webcast “Approved! The Lawyer’s Guide to Successful Development Applications – from Concept to Shovel”

06/11/20

Wilentz Shareholder Donna M. Jennings will join a panel discussion comprised of seasoned land use practitioners at the New Jersey State Bar Association Continuing Legal Education webcast entitled “Approved! The Lawyer’s Guide to Successful Development Applications – from Concept to Shovel.” The panel will provide attorneys with the tools needed to anticipate and overcome issues that may arise during the application process to bring their clients’ development projects to life, including securing municipal approvals and outside agency approvals. Topics of interest include:

- Municipal Land Use Law
- How to file a land use application
- Board hearing
- Post-approval process and resolution compliance
- How to file an appeal of a Board’s decision
- Affordable housing and redevelopment issues
- Environmental permits in New Jersey
- Impact of water quality, storm water, and endangered species issues
- Developer agreements

Presented in cooperation with the NJSBA Land Use Section, this program has been approved by the Board on Continuing Legal Education of the Supreme Court of New Jersey for 6.7 hours of total CLE credit.
