Donald E. Taylor and Daniel J. Kluska to Present New Jersey Association of Corporate Counsel CLE Webinar “Business and Construction Litigation: Trends Amid the Pandemic & Forecast for the Road Ahead”

09/17/20

Wilentz attorneys Donald E. Taylor and Daniel J. Kluska and Suburban Propane General Counsel William Ferreira will present “Business and Construction Litigation: Trends Amid the Pandemic & Forecast for the Road Ahead” at the New Jersey Association of Corporate Counsel 2020 Annual CLE Virtual Conference.

Learning outcomes include:

- How the pandemic has affected the operations of Courts and adjudication of civil matters
- Ways that the pandemic is likely to shape the views of New Jersey judges and juries
- Emerging trends in the home building industry
- Emerging trends in construction defect litigation

The webinar has been approved for 1.5 Regular CLE Credits.
