

Grace Mack to Present on the “Challenges and Opportunities: So You May Want to Sell or Merge Your Practice- What You Need to Know!” Withum Webinar

06/30/21

Wilentz Shareholder Grace Mack, co-chair of the Corporate Law and Health Law practice group, will join a roundtable discussion at the “Challenges and Opportunities: So You May Want to Sell or Merge Your Practice- What You Need to Know!” webinar. The concerns and fears that owners, executives and managers of medical practices share when determining to sell or merge a practice will be addressed. The webinar is hosted by Withum, a technology-driven advisory and accounting firm serving clients in a wide variety of industries.

Topics will include:

- The legal and accounting considerations including motivations for sale
- Potential buyers, earn-out provisions, valuations, and normalization adjustments
- Partner/shareholder compensation issues
- COVID relief refundable payroll tax credits, ERTC and PPP forgiveness rules
- Provider Relief Fund compliance
