

## Michael F. Schaff to Present at Healthcare Leaders Association of New Jersey 2026 Annual Conference Program

05/07/26

Shareholder Michael F. Schaff will present at the Healthcare Leaders Association of New Jersey's 2026 Annual Conference Program on May 7, 2026, in Long Branch.

The program, titled “NJ Health Deals: Alignment Models and the Battle for Providers,” will examine current trends shaping health care transactions and provider alignment strategies in New Jersey’s competitive health care market.

Billions have been lost in “valuations.” PE firms are struggling to find the next “turn.” Meanwhile, consolidation continues. What options remain for health systems, large practices, and independent physicians, and what does the future hold for healthcare providers?
