

Artificial Intelligence in Action: Tools, Pricing, and Policy Updates

07/09/26

Wilentz Shareholder Brett R. Harris will speak at the Commerce and Industry Association of New Jersey's (CIANJ) *Artificial Intelligence in Action: Tools, Pricing, and Policy Updates*, a half-day program bringing together industry leaders for an interactive look at the real-world impact of AI.

The program will feature demonstrations and discussions on today's most widely used AI tools. Along with practical guidance on pricing models, implementation strategies, and building AI fluency across organizations. Attendees will also hear insights from technology and business leaders on how AI is transforming operations across industries.

In addition, the agenda includes a focused discussion on legislative developments, regulatory trends, and key considerations for managing risk and ensuring responsible AI adoption.
