Donna M. Jennings to Moderate The Basics of New Jersey Land Use Practice 2026 Seminar

09/17/26

Wilentz Shareholder and Chair of the Land Use team, Donna M. Jennings, will moderate The Basics of New Jersey Land Use Practice seminar.

The program will provide essential insights and practical guidance for navigating New Jersey's evolving land use landscape. Attendees will hear from prominent land use practitioners as they examine the fundamentals, including filing applications, securing zoning approvals for residential, commercial, and subdivision properties, and navigating the post-approval process.

Topics will include municipal land use law and regulations, the application, notice, and hearing process, variances and other relief from ordinance requirements, the entitlements process, post-approval resolution compliance, and the effects of approvals and vested rights.

The program is designed for professionals seeking a foundational understanding of New Jersey land use practice or looking to refine their approach to navigating the state's regulatory landscape.
