

Lynne M. Kizis to Present at the New Jersey State Bar Association's 2026 Asbestos Litigation Conference

09/18/26

Shareholder and Co-chair of the Mass Tort/Class Action team, Lynne M. Kizis, will participate in a presentation discussing the U.S. Supreme Court's recent decision in *Monsanto v. Durnell*, examining its implications for preemption issues in Roundup litigation and its potential impact on mass tort litigation and product liability practice.

The annual Asbestos Litigation Conference returns with new topics and timely information to provide attendees with the latest developments in asbestos litigation. Led by the Honorable Ana C. Viscomi, J.S.C., the program will feature presentations from members of the judiciary and experienced practitioners covering recent case law, bankruptcy developments, artificial intelligence, courtroom technology, ethics, and case management strategies.
