Lynne M. Kizis to Present at NJICLE Product Liability Forum

12/03/26

Lynne M. Kizis, Shareholder and Co-chair of the Mass Tort/Class Action team will present at the upcoming NJICLE Product Liability Forum.

The program will provide attendees with practical insights into product liability matters, beginning with the investigation stage, including the importance of conducting a thorough site inspection and retaining an appropriate expert. The program will also address updates in current case law and their potential impact on product liability cases, as well as provide an overview of specific products and the legal issues they may present.

In addition, the program will explore key ethical responsibilities, including obligations related to evidence preservation and considerations when representing multiple plaintiffs.

For more information and to register, please visit the event page.

Practices

- Class Action
- Defective Drug & Device Injury
- Asbestos & Mesothelioma
- Toxic Exposures
