Wilentz, Goldman & Spitzer, P.A. Recognized by the American Cancer Society for Contributions to the Judicial Advocacy Initiative

03/19/26

Wilentz, Goldman & Spitzer, P.A. has been recognized by the American Cancer Society (ACS) for its contributions to the Judicial Advocacy Initiative. This initiative identifies key lawsuits and regulatory actions affecting the fight against cancer and files “friend of the court” briefs to advocate on behalf of those impacted by the disease. Wilentz is proud to be among 11 law firms providing pro bono legal services in support of the American Cancer Society’s mission to combat cancer.
