

Everett M. Johnson Named Vice Chair of “Meet the Essentials 2026” Program

04/08/26

Shareholder Everett M. Johnson has been named Vice Chair of The Essentials 2026 Conference sponsored by the National Association of Bond Lawyers, an upcoming continuing legal education program focused on key developments and foundational concepts in public finance.

The program brings together leading practitioners and industry professionals to discuss important legal and practical considerations affecting public finance, including emerging trends, regulatory updates, and professional development opportunities for attorneys working in the field.

As Vice Chair, Mr. Johnson will help guide the program’s development and contribute to discussions designed to provide attendees with practical insights and strategies relevant to today’s evolving public finance landscape.
