06/02/26

Wilentz, Goldman & Spitzer, P.A. was part of the Team of attorneys that served as counsel to Affinius Capital and Vista Hill Partners in connection with the \$3.5 billion acquisition of Veris Residential, Inc. The all-cash transaction resulted in Veris Residential transitioning from a publicly traded real estate investment trust to a privately held company.

Headquartered in Jersey City, Veris Residential owns and operates a portfolio of Class A multifamily properties across the Northeast, including key markets in New Jersey, New York, and Massachusetts. The transaction marks the culmination of the company's multi-year transition, following its earlier transformation from Mack-Cali Realty Corp.

The Wilentz [Real Estate/Redevelopment](#) Team provided legal counsel on due diligence matters related to the Veris Residential properties located in Jersey City, Harrison, and Millburn, working alongside a team of financial advisors and law firms.

Results achieved in prior matters are not meant to be a guarantee of success as the facts and legal circumstances vary from matter to matter.
