Protecting Trade “Secrets” Creates Economic Growth

07/09/19

In the June 2019 edition of *Commerce Magazine* covering the increased need for companies to protect their trade secrets, Wilentz Shareholder and technology attorney Brett R. Harris discusses efforts to help ensure that businesses enjoy the full benefits of innovative technologies in light of recent changes in New Jersey law on employee rights to ownership of employee inventions. Ms. Harris also considers developments created by independent contractors in the context of modern workforce dynamics driven by the explosion of the gig economy.
