

The Emerge Tax Credit Program: New Caps, More Benefit to State and Enhanced Regulatory Oversight

06/09/21

The fifth in a series of articles written by Wilentz attorneys about the [New Jersey Economic Recovery Act](#) incentive programs, “The Emerge Tax Credit Program: New Caps, More Benefit to State and Enhanced Regulatory Oversight,” takes a deep dive into the successor program to the expired Grow NJ program, aimed at offering tax benefits to employers in high-priority industries and targeted locations. Read it to learn how the Grow NJ Program has been overhauled and replaced under the Economic Recovery Act through the newly-established Emerge Program, and what applicants would want to know about program incentives, eligibility and ongoing requirements.
