

Drafting Construction Contracts During And Post-Pandemic: It's No Time For A "Jersey Contract" – Part Two

09/15/21

The second part of a two-part series written by Dan Kluska and Don Taylor for *New Jersey Builders Association Dimensions Magazine* Summer 2021 Edition, "Drafting Construction Contracts During And Post-Pandemic: It's No Time For A "Jersey Contract" – Part Two" focuses on construction contract provisions addressing price escalation and substitution of goods, health and safety requirements, and indemnification provisions during and post-pandemic.
