Todd E. Lehder is a shareholder, co-chair of the Real Estate practice group and a member of the Management Committee at Wilentz, Goldman & Spitzer, P.A.

For more than two decades, his clients have benefited from his diverse experience with acquisitions, sales, development, investment, financing and leasing transactions. Counted among his clients are professional developers, real estate investors, lenders and property management companies as well as borrowers, landlords and tenants.

As a hands-on, thorough and versatile commercial real estate lawyer, Mr. Lehder handles complex commercial real estate transactions, with a concentration on acquisitions and sales, leasing, commercial lending and joint ventures. He built his real estate practice—literally from the ground up—representing individuals and small companies, handling wide-ranging legal issues implicated in an extensive variety of office, industrial, retail, and mixed-use projects. This solid foundation has enabled Mr. Lehder to bring a large breadth of knowledge to his representation of larger commercial clients and institutions while still affording each matter the personal attention that earned the trust of his long-standing clients over many years.

Because of the experience he has gained on all sides of various types of commercial real estate transactions, Mr. Lehder is skilled at formulating creative solutions to the myriad problems that arise in these transactions. He can add value to projects with “outside the box” thinking, without losing focus on the efficient achievement of his client’s business objectives.

Mr. Lehder gives back to his community through volunteering and coaching local youth sports. He has been a member of the Fair Haven Zoning Board of Adjustment since 2006 and has served as the Chairman of that Board for over 15 years. Since 2017, Mr. Lehder has been a member of the Fair Haven Planning Board, and he has served as the Chairman of that Board since 2019.

In 2024, Mr. Lehder was appointed Co-Chair of the Advanced Commercial Leasing Institute (ACLI). In 2020, Mr. Lehder was selected as a fellow with the American College of Real Estate Lawyers (ACREL). Since 2019, he has been named to the *Best Lawyers in America* list in Real Estate Law as well as Land Use and Zoning Law on the 2025 list.
