Update - Contradicting Court Opinions On Expungement Of Juvenile Adjudications

08/17/12

In a [prior post](#), I wrote about two conflicting court decisions on the eligibility for expungement of certain juvenile adjudications.

Follow-up: On August 16, 2012, the Appellate Division issued another opinion, [IN THE MATTER OF EXPUNGEMENT OF RECORDS OF R.N., DOCKET NO. A-3709-10T2](#), that followed the opinion, In the Matter of the Expungement Petition of J.B. (Docket No. A-1564-11T2), that was analyzed in the earlier post.

Thanks to my partner, John Hogan, for pointing out this case to me.
