Results achieved in prior matters are not meant to be a guarantee of success as the facts and legal circumstances vary from matter to matter.

Among the very first law firms to develop a practice in the highly specialized field of gambling law, Wilentz, Goldman & Spitzer, P.A. has represented casino interests since the advent of casino gaming in New Jersey in 1978.

Our Casino Law team represents corporations in applications for obtaining their gaming license, and has represented numerous casino executives in a variety of gambling law matters before the New Jersey Casino Control Commission. We are members of the Casino Law Section of the New Jersey State Bar Association and the International Gaming Attorneys Association.
