Construction of Healthcare Facilities

Results achieved in prior matters are not meant to be a guarantee of success as the facts and legal circumstances vary from matter to matter.

The construction of new healthcare facilities involves a multi-faceted framework of legal and financial activities. The Health Law attorneys at Wilentz, Goldman & Spitzer, P.A. represent purchasers, sellers, joint ventures, and borrowers in the negotiation and preparation of agreements for the acquisition and sale of expanded and new healthcare facilities, including nursing homes and extended care facilities. To best serve our clients' needs, we draw upon our firm's extensive experience in various legal disciplines, including financial services, corporate, real estate, tax, construction, environmental, and public finance.
