

Ethics Advise and Representation in Disciplinary Proceedings

Results achieved in prior matters are not meant to be a guarantee of success as the facts and legal circumstances vary from matter to matter.

Attorneys and professionals facing ethics inquiries, grievances, or disciplinary proceedings need experienced counsel to help protect their licenses, reputations, and careers. Our team of attorneys provide ethics advice and representation at every stage of the disciplinary process, from responding to initial complaints and ethics investigations to appearing before disciplinary authorities and appellate bodies.

We assist clients with ethics compliance, conflicts of interest, professional responsibility issues, trust account matters, advertising and solicitation concerns, fee disputes, and allegations of misconduct. We also provide proactive guidance to help professionals navigate complex ethical obligations before issues arise.
