

Criminal Tax Matters

Results achieved in prior matters are not meant to be a guarantee of success as the facts and legal circumstances vary from matter to matter.

Our criminal defense team is called upon by accountants and tax preparers, individuals and public and private businesses for representation in cases before the IRS or the state division of taxation involving criminal tax allegations such as tax fraud, tax evasion, and matters involving the cigarette tax or sales tax.

Our criminal defense team works in conjunction with our Health Law team, Commercial Litigation team or Pharmacy team on many of these cases. Contact us today to discuss your particular matter.
