

Daycare Abuse and Neglect Lawyers in New Jersey

Results achieved in prior matters are not meant to be a guarantee of success as the facts and legal circumstances vary from matter to matter.

Every day, many of us place our loved ones in the care of another. It may be a parent in a nursing home, or children in a day care or in a recreational program. Very often, our trust in those institutions is confirmed. But when those to whom we trust our loved ones fail us, there is almost no greater pain and despair. If your trust has been violated, we can help. It is important that you act immediately.
